

REMARKS

Claims 61-95 and 100 were pending in the instant application prior to the filing of the Amendment and Response on August 23, 2007. Applicant notes that in the Amendment and Response filed on August 23, 2007, the status of claims 1-60 was inadvertently not referred to in the listing of the claims. Accordingly, the listing of the claims included in this Supplemental Amendment and Response serves to clarify the status of claims 1-60, *i.e.*, canceled. Thus, upon entry of the foregoing amendment, claims 61-63, 65-68, 70-81, and 83-103 will be pending in the instant application.

No new matter has been added. Applicants request that the amendments to the claims be entered in accordance with this Supplemental Amendment and Response and the Amendment and Response filed on August 23, 2007. The foregoing claim amendments should in no way be construed as an acquiescence to any of the Examiner's rejections and were made *solely* to expedite prosecution of the present application. Applicants reserve the right to pursue the claims as originally filed in this or a separate application(s).

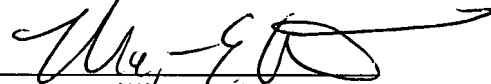

In addition to the Supplemental Amendment and Response filed herewith, Applicants respectfully request that the Examiner consider the Amendment and Response filed on August 23, 2007.

SUMMARY

If a telephone conversation with Applicants' Attorney would expedite the prosecution of the above-identified application, the Examiner is urged to call Applicants' Attorney at (617) 227-7400.
